April has arrived! The month of March was busy and April looks to be the same.

During the last half of March students participated in a school survey called Our School Survey. This survey provides the students an opportunity to share their voice on how our school operates. By completing the survey the students help us to understand their experiences while attending BLMS. The data that we collect from the survey will help guide the administration in creating the Bishop Lloyd School Learning Improvement Plan for the 2020-2021 school year. As always, we will share the data with our students, staff and school community.

Another celebration during the month of March was having our band students finally being able to play their instruments at school. With COVID guidelines finalized for band classes to follow and a school plan organized and implemented by Miss Jardine our band students are playing their instruments. A thank you to our Phys Ed teachers for allowing Miss Jardine and her band classes to use the gymnasium over the last two weeks to ensure the physical distancing needed. It is great to hear the music in our Bishop Lloyd hallways once again.

On return from Easter Break our students and staff will be wrapping up the Term 3 reporting period. Term 3 marks will be submitted on April 16th with report cards being distributed to students on Wednesday, April 21st. Student Led Parent Teacher Conferences are scheduled for Wednesday, April 28th and Thursday, April 29th. Once again, conferences will be done virtually through Google Meets or by phone. Scheduling information will be shared with parents shortly after our return from the break.

Our next School Community Council Meeting is scheduled for Thursday, April 22 at 7:00 pm. The meeting will be held virtually with pre-registration needed by parents to attend. Please call the school at (780) 875-6239 or an email to katherine.luchynski@lpsd.ca to register. Thank you.

I encourage parents to make time in their schedule to attend.

PRIDE - POSITIVE ACTIVITIES

In March, the 8-3,4,5 organized an activity for our student body for our monthly positive activity. All students from grade 7-9, were given a shamrock and were asked to complete the phrase "I'm lucky because.....".

At the entrance of our school, is a beautiful pot of gold display, with our student answers to this phrase.

Activities that focus on being positive and voicing gratefulness have resulted in great conversations with students and time to focus on the good things in our lives.

In April, the 8-1,2 team will be organizing an activity for our students around Positivity.

Happy Easter everyone.
