Vice Principal: Mrs Janice Wouters

Parents/Guardians,

The month of June has arrived! Students have been working hard on their academic classes and starting to prepare for final exams. Staff have been focused on finishing off the last unit of study in their classes as well as planning for the start of the 2021-2022 school year. At this time of year the school days seem to fly by very quickly.

The next three weeks will be very busy for staff and students. We are preparing for our Annual Achievement Day and Awards Celebration on Wednesday June 9th, wrapping up academic classes with final exams starting June 18th, and completing the transition process of our grade 9 students to LCHS.

In closing, I want to thank all students, families, and staff for their commitment and support during the 2020-2021 school year. It has been a year of adjustments, adversity and planning as we maneuvered through the always changing COVID guidelines and protocols. Having the students in our building every day is a celebration in itself.

Have a great summer Lancers, we will see you in the fall!

Aaron Canfield
Principal

Responsible, Engaged and Empowered Citizens

BLMS

ACHIEVEMENT EVENT

With the inability to host our annual June Achievement Night, due to COVID-19 guidelines, the Bishop Lloyd staff has organized an Achievement Day & Awards Celebration for Wednesday, June 9th. The event will be held during the school day to recap the school year, celebrate student achievements and recognize our grade 9 students as they transition from middle school to high school. The events will be recorded with the links being shared with students and families over the weeks of June 14th to 18th. Sharing as a link and not a live presentation will allow families to view the virtual presentations at a time that best fits their family's schedule.

On **Wednesday June 9th**, we will have a "formal dress up day" where all students in the school are invited to wear business casual clothes for our events throughout the day.

In the morning from 9am-10am we will have our school-wide Awards Ceremony, where our administrators will announce award winners via Google Meets with students in their classrooms. Award winners will be celebrated in their classrooms and given any certificates or medals that come with their award. After the ceremony, award winners will get their picture taken with their plaque. Award winners and their pictures will be posted online for parents to view and save.

At 12pm our grade 9 celebration will begin. Students will stay in their homerooms from 12pm to 1pm where they will receive lunch provided by BLMS. During their lunch, they will view speeches from classmates and from our principal, as well as their "Grade 7 to Grade 9 Journey through BLMS" slideshow. They will receive a gift from our school at this time as well. Next, from 1pm to 2pm, all grade 9 students will go outside to our school grounds, where there will be music, treats, and numerous creative backdrops for students to take photos with. We will also take class photos at this time. Photos, speeches, and slideshows will be available online for parents to view after the event.

The award ceremony will be recorded and posted on our Bishop Lloyd website.

The photos of award winners as well as photos from the grade 9 event will also be posted online.

June Report Cards - Thursday, June 24th has been designated as Report Card pick up day. Students are encouraged to stop in and pick up their report card between 8:30 am and 11:00 am. Buses will run in the morning for students who don't have a ride to pick up their report card, the afternoon buses are scheduled to depart at 11:00 am. For students who attend they will be asked to remain in their homeroom class for the morning. Students who do not make it in on June 24th to pick up their report card a copy will be emailed to parents that afternoon.

FINAL EXAM INFORMATION

Final Exam Information - June 18th to 22nd June final exam schedule.

Exam Times - Minimum exam time: AM 8:30-10:00 PM 12:30-2:00

Grade 9-5 Social

Tuesday, June 22 am - **All students will begin AM exam at 8:30**

Grade 7 Math

Grade 8 Social

Grade 9-5 Science

Grade 9 Science/Social

Permission to Leave

Students are able to leave the school after they write each final exam. All students are required to return a permission slip to homeroom teachers on or before June 18, if the child is able to leave after they complete the final exam. Students who do not have permission to leave, will remain in the classroom until lunch time or home time, depending on the time of the exam. Students remaining at school after exams, will be able to study in their homeroom until noon or home time. Students remaining at school are not able to be outside of their homeroom as we need to maintain social distancing and cohort groups.

CREE LANGUAGE 9

For the 2021-2022 school year Bishop Lloyd Middle School will be offering an Options 9 Cree Language class. The Cree Language class is open to all grade 9 students who wish to register in the course as one of their grade 9 options classes. Mr. Sandy Chocan will be the teacher assigned to instructing the Cree Language class. Students entering grade 9 in the fall who are interested in enrolling in the Cree 9 class are asked to complete the online Cree Language Registration Form by June 7th. The link was shared with parents of all our current grade 8 students in an email from aaron.canfield@lpsd.ca on Thursday, May 27th.

LANCER PRIDE

Each month, teachers select a student from their homeroom to be that month's PRIDE winner. These students demonstrate an improvement in their efforts and ability in all the areas of PRIDE: Positivity, Respect, Involvement, Determination, and Excellence

<u>Grade 7 (May)</u>	<u>Grade 8 (May)</u>	<u>Grade 9 (May)</u>
7-1 Addison M.	8-1 Jaxon B.	9-1 Thailyn J.

7-5 Samin B.	8-5 Chance L.	9-5 Nathan H.
7-6 Delila M.		

<u>Grade 7 (June)</u>	<u>Grade 8 (June)</u>	<u>Grade 9 (June)</u>
7-1 Marfa A.	8-1 Kayden Y.	9-1 Madeline P.
7-2 Kendyl M.	8-2 Rylan S.	9-2 Rayne C.
7-3 Cayden P.	8-3 Kiranjot S.	9-3 Raelene D.
7-4 Irish G.	8-4 Rogan M.	9-4 Charles B.
7-5 Allie T.	8-5 Addison G.	9-5 Tori R.
7-6 Kyle G.		

PRIDE - POSITIVE ACTIVITIES

In May, our students enjoyed participating in 3 Positive PRIDE activities during Lancer time on Friday. Miss Britton 9-3, Mr. Maze 9-2 and Mrs. Hiron 9-5, organized staff trivia, a virtual escape room and a STEM activity. During all 3 activities, students were required to work together to complete the tasks and get to the finish line.

In June, students will engage in a growth/reflection activity where they will identify and share with classmates, points of growth over this school year.

This school year, our school community focused on celebrating the positive in our PRIDE Matrix. It was important to focus on positive and there has been a great change in our lives since March 2020. Finding gratitude and celebrating it has been a wonderful experience for students and staff. Thank you to our teaching teams for organizing all the wonderful activities this school year at BLMS.

LANCER LIBRARY

WHAT DO YOU MEME YOU HAVEN'T RETURNED YOUR LIBRARY BOOKS?

It's hard to believe the time has almost come to start turning in books for the year in preparation for summer break.

Please have all books turned in by **June 11** to avoid any lost book fees. Search the deep dark corners of your bedrooms, closets, and backpacks to find those long, lost, and lonely books. Do feel free to keep checking books out until then!

Keep engaged reading throughout the summer on our [Sora App](#). All you need is your school login information to check out digital copies. You can download a title to read on your device for when you may not have access to internet service!

HAPPY READING AND HAVE AN AMAZING SUMMER!

MOVING??: As we look at planning for the next year, it is important to know what our enrollment numbers will be. If you know that you will be moving out of our school attendance area or to another community, please let the school office know. Email ruth.dean@lpsd.ca or katherine.luchynski@lpsd.ca or call 780-875-6239. Thank you!

VISITOR PROTOCOLS

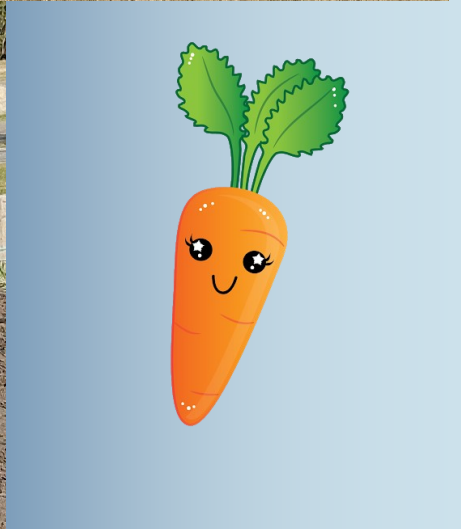

Parents we are missing you and look forward to the day that we can have you back into our building! However, for the foreseeable future we must continue to follow LPSD Protocols and limit all visitor access to our building.

BISHOP LLOYD SCHOOL GARDEN

Our 8-1/2 team has been busy! With some help from staff our planters have been built and vegetables planted. We also had a work bee at the garden plot at Bud Miller to plant our garden there. Thanks again to Home Hardware, Home Depot and the Battle River Watershed Alliance for partnering with us to make this vision happen.

All vegetables grown will be donated to local charities to provide healthy vegetables to families in need and to help fight food scarcity.

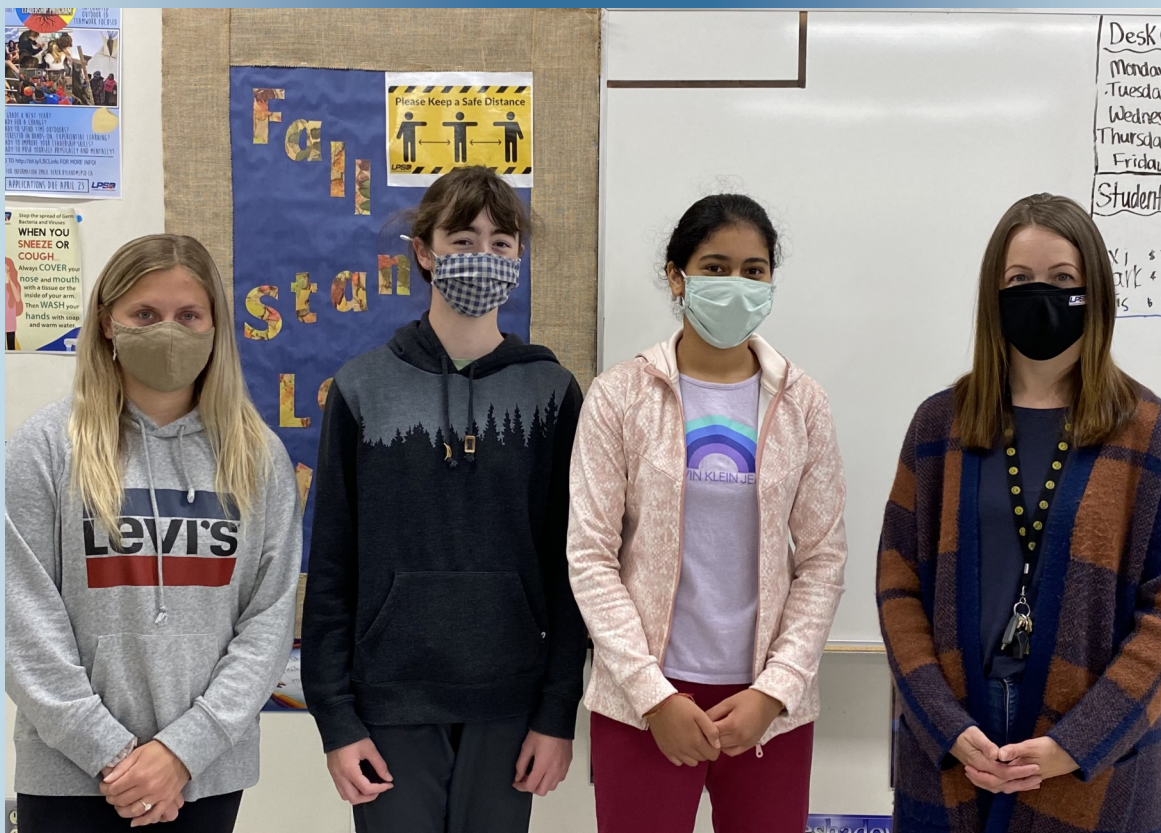

STEM PROJECTS - GR 7-1, 7-2

Libby S. and Tanishka V. are students in Mrs. Tremmel and Miss. Furman's grade 7 team. The girls showed a thorough understanding of the grade 7 math and english concepts. As a result, they fast tracked through the grade 7 curriculum and spent extra time working on some STEM projects (Science, Technology, Engineering and Math).

BLMS STEMspirations was one of their projects which focused on interviewing Women in STEM careers. They interviewed two women. One was a chemical engineer and owner of a vertical hydroponic greenhouse. The other was a Geology student who earned her degree at the U of A and is going to UBC in the fall to earn her master's degree. The girls prepared appropriate questions and then created and edited videos of the interviews. They also ran a social media campaign on Instagram & Twitter advertising the interviews and other STEM information.

Another project they worked on was the BLMS 3D Design Company. The girls designed and started a company in which they offered custom design and print 3D objects. The items were made using an online program called Tinkercad. The cost of the items were dependent on the amount of filament used as well as the time required to print. To track orders, the girls created and used a spreadsheet. Order forms were offered to Rendell Park's grade 5 and 6 classes. The demand for 3-D printed items was an overwhelming success!

To date, a total of \$205 has been raised. All proceeds will be donated to the Lloydminster SPCA.

DRESS UP DAYS

Jun 9 - Formal Day

Jun 10 - Comfy Day wear your comfy pj's or sweats

Jun 11 - Lancer Blue Day

Important Dates - June

- Jun 9 BLMS Awards Day & Gr 9 Celebration*
