Parents/Guardians,

We have been very busy here at Bishop Lloyd Middle School since we returned from Easter Break and it is looking like the month of May will be busy also. A special thank you to the parents and families that connected with homeroom teachers for Student Led Conferences on April 27 & 28. In speaking with our teaching staff they indicated it was great to connect with parents. Many discussions were had around current student academic progress and course selections for the next school year. As a school we are very proud of the success of our students during term 3. With two months left in the school year there is still much work to be completed at all grade levels.

2022-2023 BLMS Grade 8 & 9 Registration Google Forms were emailed to all parents of our current grade 7 & 8 students. We ask all parents to complete the forms to help facilitate planning, preparation and course selections for the 2022-2023 school year. We ask that the forms are completed ASAP as they were due on April 29th. If you have not seen the form or have questions filling out the form please connect with your child's homeroom teacher.

Planning has started for our Bishop Lloyd Middle School Awards Celebration and the Grade 9 Achievement Day. Parents and students will receive an email from homeroom teachers sharing the official format of this years end of the year celebrations.

Our next School Community Council Meeting is scheduled for Tuesday, May 17 at 7:00 pm. The meeting will be held in the Bishop Lloyd library with pre-registration needed by parents to attend. Please call the school at (780)- 875-6239 or an email to carolyn.tichkowsky@lpsd.ca to register.

Thank you.

Aaron Canfield

PRIDE - RESPECT ACTIVITIES

Our students will be engaging in Pitch in Week, over the upcoming days as a way to contribute to the community and demonstrate respect for our community. During Pitch in Week, our students will head outside to both our school yard and surrounding neighborhood to ensure that garbage is being cleaned up. Pitch in Week is a valuable time to reaffirm with students that we are all responsible for taking care of our community. Teachers will sign their class up for an area of our immediate surroundings in which their homeroom will be responsible for. Our grade 9 teachers have offered to organize this activity.

Thank you to our staff and students for making this initiative a priority at Bishop Lloyd Middle School. Thanks to our grade 9 HR teachers for organizing Pitch in Week at BLMS this spring.

STUDENT LATE & ABSENCES

If you are aware that your child will be late or not in school on any given day, please contact the office at 780-875-6239 or email katherine.luchynski@lpsd.ca or Carolyn.tichkowsky@lpsd.ca

If a student is leaving early they must sign out at the office before doing so. If a student is late they must also sign in at the office otherwise that may result in a unnecessary call home.

Thank you
