Parents/Guardians,

Welcome to May! Thank you to the parents and families that connected with homeroom teachers for Student Led Conferences on April 26th & 27th. Many discussions were had around current student academic progress and course selections for the next school year. With two months left in the school year there is still much work to be completed at all grade levels. It was great to see the large number of our parents connected to our online Edsby Parent Portal.

The students will be very busy during the months of May and June. It will be very important to follow the school calendar to know of the many events, activities, and trips our Bishop Lloyd students will be involved as we move through Term 4.

2023-2024 BLMS Registration Links were emailed to all parents of our current grade 7 & 8 students through Edsby in April. We ask all parents to complete the forms to help facilitate planning, preparation and course selections for the 2023-2024 school year. Homeroom teachers will be reaching out to parents/students who have not completed the registration process for the 2023-2024 school year.

Planning has started for our Bishop Lloyd Middle School Achievement Day and the Grade 9 Celebration which is scheduled for June 14th. Parents and students will receive an email from homeroom teachers sharing the official format and invitations in the next week. Information will be shared in this newsletter and on Bishop Lloyd's Facebook Page as well.

Our next School Community Council Meeting is scheduled for Tuesday, May 23 at 7:00 pm. The meeting will be held in the Bishop Lloyd library. It will be our final SCC meeting of the 2022-2023 school year with a focus on SCC Elections to set our SCC Executive Committee for the 2023-2024 school year. We are looking to fill several Members at Large positions.

Thank you.

PRIDE- Respect

Our students will be engaging in Pitch in Week, over the upcoming days as a way to contribute to the community and demonstrate respect for our community. During Pitch in Week, our students will head outside to both our school yard and surrounding neighborhood to ensure that garbage is being cleaned up. Pitch in Week is a valuable time to reaffirm with students that we are all responsible for taking care of our community. Teachers will sign their class up for an area of our immediate surroundings in which their homeroom will be responsible for. Our grade 9 teachers have offered to organize this activity.

Thank you to our staff and students for making this initiative a priority at Bishop Lloyd Middle School. Thanks to our grade 9 HR teachers for organizing Pitch in Week at BLMS this spring.

Student Late & Absences

If you are aware that your child will be late or not in school on any given day, please contact the office at 780-875-6239 or email katherine.luchynski@lpsd.ca or Carolyn.tichkowsky@lpsd.ca

If a student is leaving early they must sign out at the office before doing so. If a student is late they must also sign in at the office otherwise that may result in a unnecessary call home.
