Welcome to March. The school calendar for March is very busy, please stay connected through the school website, Edsby, and our Facebook Page.

Students are working hard academically as our Term 2 Data shows an increase in academic progress for all grade levels. We use the Term Data to measure success and to help organise learning supports and plans for students to be successful. It is very important for parents to be connected to Edsby Parent Portal to stay up to date on their children's academic progress. Please know that an incomplete assignment represents a zero when calculating your child's overall average for a class in Edsby.

Our grade 8 & 9 students will be starting the transition process to the Lloydminster Comprehensive High School very shortly. LCHS will be hosting their Future Barons Information Night in person on Tuesday, March 12th. Grade 8 students and parents are scheduled for 6:30 pm and the Grade 9 students and parents are scheduled for 7:30 pm. It is very important that all our grade 8 & 9 students and parents attend LCHS the evening of March 12. The presentations will share information on Grade 9 & 10 registration information for the 2024-2025 school year. Students and parents will be able to tour the school and learn about different programming options that LCHS has to offer.

For extracurricular activities, we have had a change from basketball to badminton and curling. Grade level badminton tryouts have started with grade level badminton teams being selected by the end of next week. Our Lancer Curling Team will be attending the district bonspiel on Monday, March 4, being hosted by St. Walburg, best of luck curlers. Please know our Drama Club members are gearing up for their production on March 27, please watch for further announcements from our Drama Club.

Parents, please remember it is important for students to have proper winter clothing to access busing for field trips and to engage in the planned outside activities.

The next School Community Council Meeting is scheduled for Tuesday, March 19th at 7:00 pm. The meeting is to be held in person in the Bishop Lloyd library. I encourage parents to make time in their schedule to attend.

Principal
