

What is Edsby?

Edsby is a comprehensive digital platform designed to enhance communication between schools, students, and parents. It provides parents the ability to see student progress, assignments, school activities, and attendance in one easy-to-use interface. By accepting notifications parents will receive real time communication from teachers and the school.

Key Functions of Edsby

1. Real-Time Communication

- **Messaging:** Connect with teachers and staff directly through the platform. Edsby allows the sharing of messages between parents and teachers.
- **Notifications:** Receive important updates and announcements from the school. It is important to have your Edsby notifications turned on so you don't miss out on real time updates or communication. If you do not have the notifications turned on it is important that you check your Edsby account regularly, minimum 2-3 times per week.

2. Student Progress Tracking

- **Grades and Assignments:** View your child's grades and feedback on assignments as soon as they are posted.
- **Attendance Records:** Monitor attendance and tardiness to stay informed about your child's engagement. Parents have the ability to submit absences through Edsby. School office will also send a notification through Edsby if your child is not in attendance at school.

3. Course Management

- **Course Information:** Access the assignments your child is currently working on through Edsby.
- **Homework and Due Dates:** Stay updated on upcoming assignments and deadlines.

4. Calendar and Scheduling

- **School Calendar:** View important school events, holidays, and schedule changes.
- **Personalized Calendar:** Sync your child's class schedule with your own calendar for better organization.

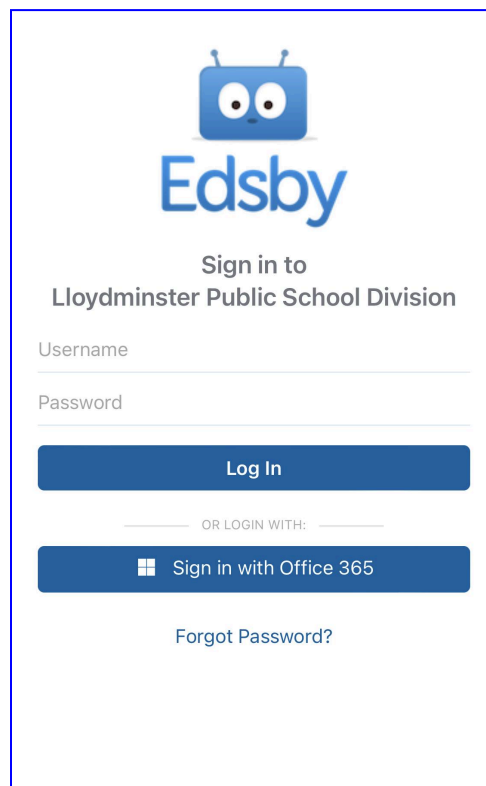

5. Edsby News River

- **School Announcements:** Receive weekly announcements and monthly newsletters through the Edsby News River.

How to Get Started

The screenshot shows the Edsby login interface. At the top is the Edsby logo, which consists of a blue robot head icon with large eyes and the word "Edsby" in a blue, rounded font. Below the logo, the text "Sign in to Lloydminster Public School Division" is centered. There are two input fields: "Username" and "Password", each with a light blue underline. Below these fields is a dark blue button with the text "Log In" in white. Underneath the button is the text "OR LOGIN WITH:" followed by a dark blue button with the Office 365 logo and the text "Sign in with Office 365" in white. At the bottom, there is a link that says "Forgot Password?" in blue text.
