Parents/Guardians,

Welcome to May! Thank you to the parents and families who connected with homeroom teachers for Student Led Conferences on April 16th & 17th. Many discussions were had around current student academic progress. With two months left in the school year, there is still much work to be completed at all grade levels. It was great to see the large number of our parents connected to our online Edsby Parent Portal.

Students are very busy in extracurricular activities and preparing for our Track and Field Day on May 15th. It will be very important to follow the school calendar to know about the many events, activities, and trips our Bishop Lloyd students will be involved in as we move through Term 4.

2025-2026 BLMS Registration Links were emailed to all parents of our current grade 6 & 7 students through Edsby at the end of April. We ask all parents to complete the forms to help facilitate planning, preparation, and course selections for the 2025-2026 school year. Homeroom teachers will be reaching out to parents/students who have not completed the registration process by the end of the week.

Planning has started for our Bishop Lloyd Middle School Achievement Day and the Grade 8 Celebration, which is scheduled for the morning of June 11th. Parents and students will receive an email from homeroom teachers sharing the official format and invitations by May 15th. Information will be shared in this newsletter and on Bishop Lloyd's Facebook Page as well.

Our next School Community Council Meeting is scheduled for Wednesday, May 28th, at 7:00 pm. The meeting will be held in the Bishop Lloyd library. It will be our final SCC meeting of the 2024-2025 school year, with a focus on SCC Elections to set our SCC Executive Committee for the 2025-2026 school year.

Thank you.

Aaron Canfield

Lancer Library

April was a busy month of spring cleaning in the Lancer Library. Older books with low circulation have been weeded to make room for the new book purchases made throughout this year. These weeded books will be offered to students, for free, until May 15th.
